At time of registration (between November 1, 2020 and March 1, 2021), \$300 is owed to begin membership, and serves as April 2021 dues. This indicates a one-year commitment starting April 1, 2021. Monthly dues begin May 1, 2021 and are billed at the end of each month.

A monthly service fee will not be charged until April 1, 2021. However, an 18% service charge will be applied to bar and dining bills until April 1, 2021.
